

OKLAHOMA STUDENT ADVISORY COUNCIL
Mentor Application

The American Association of University Women (AAUW) is one of the world’s largest women’s organizations that aims to bring awareness to women’s equity issues. In February, female student leaders across Oklahoma will be invited to join the inaugural Oklahoma AAUW Student Advisory Council (SAC) based off of applications that they have submitted. As a coalition of female student leaders across Oklahoma, the State SAC will have the opportunity to represent the voices and experiences of college women, develop as leaders, network, and gain mentors. Mentoring is a wonderful way for professional women to share experiences and advice with college women as they are furthering their career and education.

Every mentor relationship is unique and it can be formed in whichever way the mentor and mentee decide it should be. There are no requirements of the relationship-- it is only expected that you build a relationship that is based on mutual respect for both parties. Please fill out the application below and provide as much information as possible so the best possible match can be achieved.
